

MYSTERY GUESTS

A detective must ask people questions, if he is to solve the mystery. See what you can find out about the people at this party.

Go to a guest and ask the questions that are in each square. Every time, he/she answers “Yes” to a question, she/he writes his/her name in the square. Still have empty squares? Go to another guest. If you are the first person to get a name in each square, you will win a prize. (And you will also be on your way to being a super sleuth. 😊)

Do you have a dog? What is the dog's name?	Do you have a cat? What's the cat's name?	Have you ever gone camping? Where?
Do you play on a sports team? What sport?	Do you play a musical instrument? Which instrument?	Is chocolate your favorite ice cream flavor?
Do you have a piece of clothing that is plaid?	Have you ever read a mystery novel? What was the title?	Do you have a sister? What's her name?
