

SOMEBODY YOU

As you read down the first column, cross out every seventh word. When you come to the end of a column, move to the top of the next and keep counting.

Cross out every word that rhymes with “cheer.”

Cross out words that begin with the letter “f.”

Cross out words that have to do with solving mysteries.

Warning!!! You may encounter words or terms you don’t know. (Hint: alibi.) Be brave. Be curious. Look up those words. Learn something new and grow your brain.
